NOG & CITY OF DES MOINES TO RECEIVE HRDP FUNDS

Due to the exemplary efforts of NOG Board Member Colleen Kinney, North of Grand and the City of Des Moines are successful recipients of State Historical Society of Iowa's Historic Resource Development Program (HRDP) funds. The funds will be used to hire an architectural historian to survey part of our neighborhood (Greenwood Park Plat, 39th to 42nd Streets, Grand Ave. to Center Street). In addition to the HRDP funding, funds for the project have been received from Polk County grants, NOG contributions, and the support from the City of Des Moines.

Details of this process and the subsequent benefits will be presented at at NOG's quarterly meeting on Aug. 9th at Plymouth place. For questions and volunteer opportunities contact Colleen Kinney at 664-9183

DES MOINES STREETCAR FRIENDS

BY EARL SHORT

Earl Short, founder of the Des Moines Streetcar Friends, will give a presentation about the history of streetcars in Des Moines, specifically the line that ran along Ingersoll Avenue.

The presentation will be from 7 to 8:30 p.m. on August 9th at Plymouth Place, 4111 Ingersoll Ave. The presentation will be part of the North of Grand Neighborhood Association's quarterly meeting.

Starting in 1898 the West Des Moines streetcar line operated from downtown Des Moines along Ingersoll Avenue to 59th Street, cut south to Grand Avenue and continued west to Fourth Street in West Des Moines and then south into Valley Junction. In 1942, the streetcars were replaced with trolley buses, says Earl Short, whose father worked as a Des Moines Railway Co. motorman.

At 24th and Ingersoll was once the site of the barn where streetcars were collected, repaired, and kept at night. Short said, "The barn was a very big thing in the street car era." It was torn down in 1978. Currently the property is where China One International Buffet is located.

Ca. 1940 Barn at 24th and Ingersoll

Only one thing exists today as a visible reminder of the history of streetcars on the city's west side. On the north side of High Street on 24th Street, you can see the footings for the "Trestle to No-where," that was never used.

Check out more local streetcar lore at "Swing & Sway: Iowa's Electric Railways," an exhibit at the State Historical Museum.

If you're interested in learning more about the Des Moines Streetcar Friends, which holds monthly breakfast meetings at the Machine Shed, please contact Earl Short at 515-987-8867 or Errsshort@aol.com.
