Corner Plantings

Want to add some brilliant colors to an intersection in our neighborhood? It's time to sign up to receive free annual blooms to plant at the corners of intersections in the North of Grand Neighborhood.

The city will provide the flowers. We ask you to be responsible for planting, weeding and watering throughout the summer months. Why not ask a neighbor or two to share some of the tasks at an intersection near you? We have a Roto-tiller to help dig up the earth prior to planting.

Please contact **Mark Siegfried at 255-7667** or **Ben Molloy at 277-4387** if you're interested in planting and tending a corner plot near you. Plants may be picked up in at Mark's backyard, located at 4105 Woodland Avenue after May 10th.

INGERSOLL & GRAND REVITALIZATION STRATEGY PROGRESS REPORT

In late November of last year, a community process was initiated to formulate a strategic plan for the Ingersoll and Grand Ave. corridors. The focus area for this study extends from 15th to 43rd street.

The process was spearheaded by Restoration Ingersoll, who has worked closely the following organizations in the preparation of the plan:

- The West Side Chamber,
- The Ingersoll Business Committee,
- The North of Grand, Woodland Heights Organization, Ingersoll Park, Downtown, Sherman Hill, Salisbury Oaks, Linden Heights, Greenwood Historic, Westwood, and Waterbury Neighborhood Associations
- The Downtown Community Alliance,
- DART, and
- The City of Des Moines' Community Development Department.

The ultimate goal of this strategic plan will be to expand the physical streetscape & infrastructure improvements, financial stability and resulting economic development of the Ingersoll and Grand Corridors.

The findings and recommendations of this committee of more than 40 local stakeholders, neighborhood representatives, and business leaders will be reviewed by City Leaders over the next several weeks with a final report to follow. Contact Ted Irvine at 515 280-7161 for additional information.

Door to Door Salespeople (Peddlers)

The city of Des Moines requires that **Door to Door Salespeople (Peddlers)** carry a license/permit for such activities. When approached by someone at your door your first question should be--May I see your Peddlers License? If they can not produce one ask them to leave immediately or you will call the police. Even if they do leave it is a good idea to let the authorities know that there are illegal peddlers in the neighborhood. Be sure to let your N.B.S.D. police officer and code enforcement officer know. Sgt. Vince Valdez (515) 971-0786.

NOG T-SHIRT SLOGAN CONTEST

The North of Grand Neighborhood Association would like your ideas for a slogan to be used for a NOG t-shirt. Slogan can be long or short but it must be without profanity. Your idea will be voted on at the NOG annual picnic on June 9th and the winner will be announced at the annual night out on August 7th as well as purchase of the NOG t-shirt.

The winner will receive a free t-shirt and their picture in the September NOG newsletter & on the NOG Facebook page. Entries can be sent to Justin Gross at justingross2@gmail.com. The deadline for entries is May 31, 2012.

AUGUST 4TH QUARTERLY MEETING & TOUR

In lieu of our regular August meeting, Architect and neighbor Tom Wollan will lead a walking tour through part of neighborhood from 9-10:30 a.m. Learn about architectural styles, how to use identifier materials, and why our neighborhood has the particular set of housing stock of housing stock it does. Start at 632 40th Street. rain or shine.

NOG Potluck Picnic

Saturday, June 9th, 4 - 6 pm

NEW LOCATION: BridgePark (Center and 41st Street)

This Year's NOG annual picnic will take place at Bridge Park, part of a proposed one mile-loop trail linking the pedestrian bridges over I-235. Hot dogs, burgers, plates and silverware will be provided. Just bring yourselves, your family, friends, a salad, desert, and something to drink. Door prizes and games will be available - **so be ready to have a great time!**

DID YOU KNOW???

Ten Ways To Be A Good Neighbor

Litter and Debris in Your Yard

Depositing or storing outside a completely enclosed building items like scrape, household goods, paper, trash, used lumber, waste, appliances, cut brush, vehicular parts, etc.

Sec. 42-348 (3) Municipal Code

Vehicles Stored on Your Property

Any motor vehicle which is unlicensed, unsafe, or inoperable must be stored in a totally enclosed building. If you have such vehicle and would like to have it removed you may contact your Code Enforcement Officer.

Sec. 42-348 (9) Municipal Code

Parking in the Front Yard of Your Property

It is unlawful to park a vehicle in the front yard of your property unless on hard surface. Hard surface is cement, asphalt, brick pavers. Front yard is considered from the front face of your house to the street. If you are a corner lot both parts of the yard facing the street are considered front yard. Front yard parking is a \$40.00 ticket. Parking over the sidewalk is a \$15.00 ticket.

Sec. 114-361.02 (a) & Sec. 114.358 (a) (1)

Tall Grass and Weeds on Your Property

The Polk County Weed Commission requires that you keep your grass and weeds trimmed. Maximum height is twelve inches.

Take Care of Your Sidewalks

You may not have: cracks in your sidewalk that are more than ¾ inch vertical separation (a trip lip) or ¾ inch horizontal separation (wide gap.). Spalling (deterioration) of over 50% of a square. Spider web cracking that includes a whole square. Any portion of a sidewalk broken off. Snow and ice must be removed from a sidewalk within 48 hours of completion of the snow/ice event.

Sec. 104-43 & Sec. 102-124

Parking continuously in one place more than 24 Hours

Many people don't know that parking over twenty four hours is a violation. Many leave their vehicles for days gathering debris and dirt and keeping others from parking. During snowfall it is important to keep vehicles moving for snow removal. The city streets are not personal parking spaces. Fine: \$15.00 and possible impoundment

Parking without valid registration plates

As long as a vehicle is parked on a city street it must have valid registration stickers. Fine: \$15.00 and possible impoundment

Within ten feet upon the approach to any flashing beacon, stop sign or traffic control signal located at the side of a roadway.

Parking too close to a stop sign may block the view of a driver approaching the intersection. Oncoming or turning vehicles may be blocked by the vehicle trying to get around the illegally parked vehicle. Fine: \$30.00 and possible impoundment

Wrong Way on a Two Way Street or a One way Street

Parking a vehicle with the driver's side to the curb is a violation. Think about it-you would have to pull across the center line and thereby go against possible oncoming traffic! If a police officer saw this they could write a moving violation for Driving On The Wrong Side of the Road or Left of Center—Fine: **\$195.00!!!!** Parking ticket-- \$15.00. This is just a lazy way to park a car.

Dog Running At Large

An animal running loose is a violation. We get complaints of dogs running in the neighborhoods, damaging property, intimidating people and leaving unwanted *deposits*. There is no set fine, but the owner of the animal must appear in court. If the animal is found by Animal Control Officers it could be impounded= A fine , time off to go get the dog, stress, etc...
